## UNLOCK YOUR SPEAKING POTENTIAL WITHIN

---

**Jess Ponce III**

# KEYNOTE

Public speaking is the number one fear in the world, but it doesn't have to be your number one set-back. You already have exactly what it takes to become a powerful speaker. Every day you are practicing your skills, whether you realize it or not.

From pitch to podium, it's time to be seen and heard in a more strategic way. Fear will no longer stop you from delivering powerful messages that matter when you need them most.

Media coach and master communicator Jess Ponce III helps unlock the natural speaker within you by sharing the seven keys that make professional communicators A.W.E.S.O.M.E. Aligned, Wired, Empathetic, Simple, Open, Magical and Engaging. Jess walks you through a proven process he utilizes when working with global brand leaders who have included Disney, Lucasfilm, TED, BNP Paribas and others.

Whether pitching ideas to a client, making a presentation in an online meeting, or delivering a keynote to a full auditorium, discover how to speak to your selected audience with passion and purpose--and without fear.

- Craft and deliver on point messages for specific audiences
- Express yourself with clarity, confidence, and charisma
- Align your words with your body language, external surroundings, and untapped intuition
- Create moments that stand out, regardless of the medium or situation
- Learn to connect, inform, and delight listeners with assets you already have
- Balance what you know with who you are for more effective results
